EXPERIENCE

Student Government Public Relations Committee Aug 2023 - Present

Committee Member | NYU Abu Dhabi

- Collaborated with team members to create engaging content for social media, emails, and newsletters.
- Assisted in managing media relations, including relaying stories to student body and documenting important student-related events.
- Contributed to urgent communication, planning and execution, ensuring a swift and strategic response to potential issues between the university and student body.

Student Senior Leader Program

2021- 2022

Co-Head of Grade 7 Students | Sheikh Zayed Private Academy

- Contributed to the planning and execution of various wellbeing-focused activities and events within the school for 7th Grade Students.
- Delivered impactful presentations in school assemblies to promote wellbeing and address relevant issues.
- Took on a mentoring role, providing guidance and support to 7th Grade students.
- Worked proactively with the team to foster inclusivity and safety within the school community.

Kan Yama Kan

2020- 2021

Creative Assistant | Abu Dhabi, UAE

- Curated and maintained the brand's social media presence, driving engagement and brand presence in the UAE.
- Collaborated with the founder and the team to enhance the brand's marketing efforts.
- Assisted in content creation for advertisements and promotional campaigns, aligning with the brand's vision.

Simply Bottles Program

2019 - 2020

Coordinator | Sheikh Zayed Private Academy

- Advocated and collaborated with students to collect plastic bottles on campus as part of the recycling campaign, raising environmental awareness.
- Coordinated the collection and shipment of plastic bottles to the Simply Bottles company.
- Actively engaged with peers and promoted sustainable habits, encouraging students to adopt eco-friendly behaviors.

Be Better Social Awareness Club

2019-2020

President | Sheikh Zayed Private Academy

- Led a team of peers in the club to effectively raise awareness about critical global issues, such as global warming.
- Organized campaigns to address global warming, including the creation of impactful awareness posters, within the school community.
- Successfully coordinated efforts to support mobility and accessibility for individuals in the community.
